MSSI Partnered With AMCOM Express Winning Teams

Huntsville, AL – With the announcement of the US Army Aviation and Missile Command (AMCOM) Express Blanket Purchase Agreement (BPAs) Awards, Millennium Systems Services, Incorporated (MSSI) is in position to continue the excellent support services provided under the existing Omnibus 2000 contracts. MSSI is partnered with several winning BPA Teams to include: Logistics Domain - Advanced Engineering and Planning Corporation (AEPCO); Programmatic Domain – Sigmatech Incorporated; and Technical Domain – Aviation and Missile Solutions, LLC (AMS), Computer Sciences Corporation (CSC), and Westar Aerospace and Defense Group, Incorporated. With teaming agreements in place and executable contracts soon to follow, MSSI is prepared to continue the outstanding support to the AMCOM community to include the Integrated Material Management Center (IMMC) Army Working Capital Fund (AWCF) Division, the Aviation RESET Project Management Office, and the Theater Aviation Single Manager (TASM) deployed in support of Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF).

MSSI is a Huntsville, Alabama based service disabled veteran owned small business providing logistics, technical, and programmatic services support to the US Government, the Department of Defense, and other service contractors.
