MSSI Awarded Audio Visual Contract

Huntsville, AL –Millennium Systems, Services Incorporated (MSSI) has been awarded a contract to provide a complete audiovisual installation for the conference center at Tyndall Air Force Base.

MSSI will be installing a state of the art audiovisual system for the U.S. Air Force at Tyndall AFB. The installation will include the sound and projection systems, duplicate site controls at the podium and control center, wireless microphone and remote control systems. This will truly be a state-of-the-art system that will be used for high-level briefings and presentations.

MSSI is a service disabled veteran owned small business providing logistics, technical and programmatic services support to the US Government, the Department of Defense, and other service contractors.
