MSSI Wins 1.4M Four-Year Contract

Huntsville, AL – The U.S. Army Space and Missile Defense Command has awarded Millennium Systems, Services Incorporated (MSSI) a four-year contract to support the South Region Defense Acquisition University.

The DAU coordinates the acquisition education and training programs to meet the training requirements of approximately 129, 000 DoD Acquisition, Technology and Logistics (AT&L) workforce personnel. As the DoD corporate university for acquisition education, the DAU sponsors curriculum and instructor training to provide a full range of basic, intermediate, advanced, and assignment-specific courses to support the career goals and professional development of the AT&L Workforce. MSSI will provide administrative and support services to the university supporting course development, instruction material preparation, seminar support, and university marketing and enrollment.

MSSI is a service disabled veteran owned small business providing logistics and programmatic services support to the US Government, the Department of Defense, and other service contractors.
